The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,093,054,000 Shares of nominal value of HK\$0.10 each. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 209,305,400 Shares which represent 10 per cent. of the issued share capital of the Company during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the Articles of Association of the Company or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Companies Law. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Law.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and/or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2007, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, if the Proposed Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is exercised.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeover Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeover Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Pro Development Holdings Corp., was interested in approximately 32.92 per cent. of the existing issued share capital of the Company. In the event that the Directors should exercise in full the Proposed Repurchase Mandate, the shareholding of Pro Development Holdings Corp. in the Company will be increased to approximately 36.59 per cent. of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under the Takeover Code. The Directors have no present intention to repurchase the Shares to the extent it will trigger the obligations under the Takeover Code for Pro Development Holdings Corp. to make a mandatory offer.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25 per cent. (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company from 14 December 2007 (the date on which the Shares commenced listing on the Stock Exchange) to the Latest Practicable Date.

SHARE PRICES

During the period from 14 December 2007 (the date on which the Shares commenced listing on the Stock Exchange) to the Latest Practicable Date, the highest and lowest traded prices for Shares recorded on the Stock Exchange were as follows:

Month	Highest traded prices <i>HK\$</i>	Lowest traded prices <i>HK\$</i>
