### **About Anton Oilfield Services Group**

Anton Oilfield Services Group (HKEx stock code: 3337) is a leading independent oilfield services provider specializing in high-end oil and gas field development technical services. Its services and solutions cut across the well completion, down-hole operations, and drilling technology services during the exploration and production process. Its fast growth benefits from the expanding natural gas development in China and the Group’s increasing presence in the overseas markets. To realize its strategic objective as a world-leading oilfield services provider with a solid foothold in China, Antonoil is committed to continuously strengthening its R&D capabilities and adding its talents reserves to its 1,000+ staff.

Antonoil is headquartered in Beijing with over 14 sales offices and six operations bases across China's onshore basins. The Group also has an international headquarters in Dubai with an extensive network across the Middle East, Central Asia, Africa, and Americas.
